Ward 7 Candidate

QUESTION 1: The City of Edmonton should take more action to make municipal land available for low-income affordable housing development (eg. surplus school land).

No answer.

QUESTION 2: There is not enough subsidized housing in some neighbourhoods, and the City must ensure a better distribution in all neighbourhoods throughout Edmonton.

Affordable housing needs to be dispersed amongst the entire City. Healthy communities require a diversity of income levels, and backgrounds

QUESTION 3: The City should seek to use zoning flexibility (on issues such as required parking spaces) to support the development of more affordable housing initiatives.

No answer.

QUESTION 4: The City should commit funding to extend the Cornerstones Affordable Housing program.

Provided they are not saturated in any one particular neighborhood

QUESTION 5: The City should create a comprehensive plan to address the need for thousands of units of affordable housing in a comprehensive and coordinated way that includes attention to schools, public transportation, and community services.

No answer.

QUESTION 6: The City is doing a good job to end chronic homelessness through the current 10 Year Plan and the work of the Edmonton Homeless Commission.

No answer.

QUESTION 7: The City must be more active in advocating with the provincial and federal governments for more funding and better policies on affordable housing.

Council is constantly and consistently lobbying our senior levels of government for support
